President's Message

General Manager's Message

On November 11, Veterans Day, we honor our Veterans who have served and gave their lives so we continue to have a free country. We also want to remember all the men and women in the Armed Services who continue to watch over the USA and around the world. Take a minute to remember them with pride.

Please remember we are making baskets for people less fortunate and we are accepting nonperishable food items. You can drop them off at the IHC during regular business hours.

On Friday, November 21, our Annual Turkey Shoot will feature a traditional turkey dinner and a live dessert auction. If you haven't been to our Turkey Shoot recently, try to make it and bring your friends. It is new and exciting.

Friday, October 3, we had our 2nd Red Solo Cup party. The mechanical bull was a huge success, even I got on that BULL, twice. Thank you to Ruth Ann and Rich for showing us how to line dance!!

October 10, Disco Night in the Cantina was packed. King Pin will be playing in the Cantina on November 7. Come on down.

I want to thank Steve Corey for installing the BRIGHT LED lights, upstairs in the DaVinci Room. Bring your sunglasses.

I want to wish everyone a Happy Thanksgiving. I hope you get to spend it with your family and friends. I would like to thank all IHC members for their continued support whether it be financial, volunteer time, or attendance at our many activities.

Frank Reali, President

The holiday season is here.

It's not too late to book your holiday event, and 2015 and 2016 weddings and social events are filling the calendar.

The New Year will be upon us quickly. Due to the increased awareness of the cold and flu season, we have placed hand sanitizers in various location for the member's and the public's peace of mind.

We have tried many different spirit brands in the lounge, and some are now standards; so please let us know if there are any requests.

Happy Fall!

Kimberly McDonough
General Manager

Take
10

Jim DiBiase

1. **What is your perfect day?** A morning round of golf, an afternoon cookout with my family on the Maine Coast and an evening dancing with my lovely bride at the IHC.
2. **If you're not a Maine native, what brought you here?** Born and bred on Munjoy Hill and proud of it. I've lived in Maryland and Virginia and been all over the rest of the USA and there's nowhere from which I'd rather be.
3. **What book are you currently reading?** The Fault is in Our Stars" (Colpa Delle Stelle), in Italian. "A Short History of Nearly Everything" by Bill Bryson in English.
4. **Who is your favorite musician?** Hands down best singer is Frank Sinatra. Emmy Lou Harris is second. Favorite musicians are Artie Shaw, Harry James, Lionel Hampton, Gene Krupa and the guy who plays "Blurred Lines".
5. **What if any causes do you support and why?** There are so many. But mainly any cause that helps the underprivileged, victims of war (including our own military in need), Doctors Without Borders and promotion of World Peace.
6. **What person living or dead inspires you the most and why?** Aside from my family members, Chuck Yeager. He came up from humble beginnings in West Virginia with scant education to enlist as mechanic in Army Air Corps during WWII. Became a top flying ace, got shot down over enemy territory in France, escaped by foot over the Pyrenees and returned to the fray. Became our top test pilot after the war where he flew the perfect engineering envelope on experimental planes, was first man to break the sound barrier in 1947, flew the X-15 into the stratosphere to experience weightlessness, returned to fly in Korea, flew on special assignments for our government. He was slighted by not being picked for our nascent space program because he didn't have a college degree. As a General he flew a bit in Vietnam. Chuck did more in a few weeks of his life than most of us do in a lifetime. Chuck Yeager has the "Right Stuff" and has been my inspiration to do the best I can in all I do.
7. **What is your favorite all time movie?** *The Graduate*, not only because I loved it but because it started a whole new approach to moviemaking. It also was the first to use a singing group (Simon and Garfunkel) as the soundtrack. Who can forget the line "Plastics Benjie, plastics"? Running close behind are "From Here to Eternity", "Shane", and "The African Queen".
8. **What is your favorite place in Maine?** Stonington on Deer Isle. I never lived there or spent much time there, but it's the first place my father settled in Maine. He worked in the quarries there and didn't have as much time as I do to enjoy the beauty of the town. Second is any golf course.
9. **What is your favorite Italian food?** Handmade Gnocchi with a little meat on the side with insalada to follow. And Pizza Ricotta with chocolate chips for dessert.
10. **If you could have any job (other than your current job) what would it be?** I'm a retired engineer, but I would have liked to have been a teacher. It's noble to have an influence on our young in a positive way and guide them to their goals.

Avere la Botte Piena e la Moglie Ubriaca :

To have the wine cask full and the wife drunk: In America we'd say "to have your cake, and eat it too". Do you like the literal Italian better?
