

ITALAIN HERITAGE CENTER
EMPLOYEE SCHOLARSHIP APPLICATION
2019

PURPOSE:

The Italian Heritage Center Scholarship Awards attempt to meet two goals. First, recognizing the value of higher learning, the scholarship itself seeks to encourage the continuing education of our members as well as our employees. Second, the scholarship application process requires all applicants to consider how employment at the IHC has been a benefit to them personally and/or professionally. This year we will be awarding our second \$1500.00 employee scholarship.

QUALIFICATION REQUIREMENTS:

- Anyone who has been employed by the IHC either full or part time for at least one year is eligible.
- The applicant must be continuing his/her higher education on a full-time basis (minimum of 12 credit hours) at an accredited institution of higher learning beyond high school.
- Past winners are not eligible to apply.

SCREENING PROCESS:

- The chairperson assigns a number to each application and removes all references to the applicant's name and family name. Only the chairperson knows the applicant's identity and the chairperson does not vote.
- A panel of educators review all written applications and score the applications based on established criteria.
- If the panel determines the need for semi-finalists, they are selected based on point total and interviewed by the committee.
- Award winners are selected from the total points earned from the application and interview (if necessary).
- If not selected, applicants are notified in writing.
- Scholarship award winners are notified by phone and invited to the July general membership meeting to be recognized and to read their essays.

APPLICATION INFORMATION:

- All materials become the property of the IHC Scholarship Committee and are kept confidential.
- All materials are shredded following the selection of scholarship winners.
- Only applications completed and submitted by the deadline of 5:00 pm, June 1, 2019 will be considered. A member of the committee will be present at the IHC to ensure that applications are not received after the deadline.
- Each applicant must assume responsibility for gathering and submitting all the information required in the application. Applications will not be accepted as complete unless all pages are received. Recommendations can be submitted as an attachment.
