THERE'S A MYSTERY IN THEM THAR HILLS

It's Deadwood, 1876, and Boss Butler wants control of the town. When he makes his move to seize it from the Widow Dawson the town pushes back. Was it Sawbones the Snake Oil Salesman, the wild woman of a tracker "Catastrophe" Jones, the outlaw gunslinger Black Bart, or was it "Hawkeye Hayes" Dawson herself?

Join us for a fun night and solve the crime to find out who caused the Trouble in Deadwood.
